TEXAS PRIDE UTILITIES has been contracted by City of Houston Public Works to make repairs on the sanitary sewer lines in your street right-of-ways and back lot easements.

The above date corresponds to the repairs required on you property.

We request that **ALL** residents who receive this letter do the following during the days listed above:

1) Minimize water usage.
2) While unlikely, back-ups may occur in the system. To ensure nuisances are avoided, please place towels in the sinks and bathtubs covering the drains.
3) Cover the toilet lids.
4) Restrain all outside pets.
5) Verify all gates are unlocked.
6) Remove structures such as flowerpots, sheds, decks, birdbaths, debris, etc. from the top of any sanitary sewer manholes on your property.

Please do not park any vehicles in the street or curbside during the specified time, so we can complete the repairs efficiently.

If for some reason you have problems with your sewer service, have any questions or concerns during the process, please call one of our representatives.

Restoration of disturbed areas will follow shortly after the above work is completed.

We are very sorry for any inconvenience this may cause; however, it is for the betterment of your neighborhood infrastructure.
